

Christ in you, the hope of glory.

In many ways the book of Colossians mirrors the book of Ephesians. Many verses from one are mirrored in the other. There is however a big difference in the focus of the two letters - in writing to the church at Ephesus Paul stresses the truth that we are in Christ. In writing to the church at Colosse, that Christ is in us!

Friend, as we battle through this life, let this truth empower us "Christ in you, the hope of glory" Col 1:27
