Hoot and Scoot

So you want to get there Sunday morning but...
Let's be honest, getting up early at the weekend only to come out into the cold and wet - who wants it? Well, now you don't need to. Just use the Covie Hoot and Scoot service. Let us know that you want picking up each week, be ready by 9:20am and we'll hoot when we get to you and you scoot out to the car - what could be easier? We'll even give you a wake up call if you tell us what time; and if you need it we'll return you home after Covies.

Don't forget you can always contact us on:-
