

## "A One to One with Jesus"

I've never seen Jesus, and I've never had the opportunity to hold a conversation with Him in the sense that I have with other people.

One day, by His grace I will have both, but for now I have to rely on the meetings that others were privileged to have with Him whilst He walked this earth - conversations that are very precious to me.

As we meet Jesus through the eyes of some of these people, I hope they will be as precious to you.
