

Prayer - the Christian's vital breath

According to God's Word, prayer transforms lives (2 Cor 13:9), gives victory in this life (Col 4:12), gains forgiveness for sin (1 John 1:9), brings whatever we ask for (Matt 21:22), and is the key to miracles (Mar 9:29).

So why do we spend such little time as Christians in prayer? And why, so often when we pray, is our experience so different from that promised in the Bible? - clearly the fault must lie with us and not with God.

In this series we explore a little of what the Bible has to say about the place, purpose and practise of prayer.
