

Prayer - the Christian's vital breath

According to God's Word, prayer transforms lives (2 Cor 13:9), gives victory in this life (Col 4:12), gains forgiveness for sin (1 John 1:9), brings whatever we ask for (Matt 21:22), and is the key to miracles (Mar 9:29).

So why do we spend such little time as Christians in prayer? And why, so often when we pray, is our experience so different from that promised in the Bible? - clearly the fault must lie with us and not with God.

In the second half of this series we look at the content of our prayers and examples of prayers that really worked!
