

How pure is plfc?

Billy Graham is credited with having said "if you ever find a perfect church don't join it, because it won't be perfect any longer!"

And, of course, he is right. But that doesn't mean that we should be concerned to ensure that the local church of which we are a part is as perfect as possible.

Or put another way - that is as pure as possible - as close to the Biblical pattern for a church as we can get.

In this series, an adaptation of a list given by Wayne Grudem in his Systematic Theology of "signs of a more pure church" we look at "how pure is plfc?"

A church without blemish?

Sunday pm 2009

***"How pure is
plfc?"***

▶ Eph 5:27 .. a radiant church,
without stain or wrinkle or any
other blemish, but holy and
blameless.

plfc - seeking to glorify God and enjoy Him through
worship, witness and service.
